**Call or email to day to
reserve your spot!**

Space is limited!

- Do you know what to do in a disaster?
- How safe will you be in your home when an earthquake strikes?
- Did you know that the most common disaster are house fires?
- Do you know what to do if a fire breaks out in your home?

Join us and learn how you can protect and aid your family in a disaster.

We will be talking about being disaster ready with an emphasis on earthquakes, fires and emergency kit essentials.
